

DOG LISTENER SUPPORT

If you should have any issues or concerns at any time in the future about your new pet, you are more than welcome to come back to the Saturday morning session with one of our dog listeners.

This will help to refresh your memory and give you the opportunity to ask any questions that you may have relating to your pet. Sessions are held on Saturday at 10:30am at the Sanctuary.

Please just let us know if you would like to join us.

If you feel you need more help once you have attended the Session, a one-to-one consultation can be arranged. All we ask is that you reimburse the Dog Listener with their travel expenses.
